The East Meadow Hurricanes play in LIJSL Nassau Division 1, we finished last season with a record of 6-2-1. The team is trained by David Willems, who played in Belgium as a professional from 1989 until 1992 for Racing Mechelen (Division 1). He was a player for Nassau Community College's National Championship team in 1997. David was an assistant for the Women's Soccer team at Hofstra University from 1997 till the spring of 2000. He is the director of training/coaching for TSL. He has won six state cups with three different teams over the last six years and has a B USSF Coaches License

As the East Meadow Hurricanes look to grow next year we seek player(s) who are dedicated to playing at the highest level and hope to one day play in the premier league. At the same time the team fosters an environment for the children to enjoy themselves as they grow as players and as a team. We train and are active all year including traveling out of state. This year we have traveled to New Jersey and will be playing in the Columbia Invitational Tournament in Maryland over Memorial Day weekend.
