Team Information /History Etc.	The team which is substantially intact for the past three years has improved and stayed competitive in the League. We are looking to add 3 to 4 talented players for the 2007-08 season with the goal of moving up a Division at the end of that year. This past season we advanced to the quarter final and the semi final rounds of the State and Waldbaums Cup, respectively. Practices are held once a week with the team made up of boys from 9 different high schools.
