**A MESSAGE FROM THE DIRECTOR**

East Meadow Soccer Club is proud to provide an opportunity to bring together the youth of Nassau County and surrounding areas in this unique opportunity to learn the game while developing friendships. Our professional staff will provide an experience based on having fun while building individual soccer skills and learn to love the attacking side of the game. The players will learn from some of the top coaches in the state, work alongside current & past EMSC boys and girls players, and play with their friends from throughout the area neighborhoods. These Soccer Schools are a celebration of soccer and our community.

We hope you decide to join us this year at the **Winter 2009 Developmental Promotional Series**. We are truly honored and privileged for the opportunity to work with the wonderful young people of our community.
